

RFU8220

Efficient Design.

Multi Voltage operation.
12,24 vdc, 110,220 vac

Optional, 12-24dc only

Reversible door opening

Removable door panels.

Stainless steel hardware

Will run on angles of up to 30°

Designed for Mobile and Solar applications

Environmentally recognized refrigerant and insulation

Strong 2 year parts warranty, with factory phone support.

Door extends 3 in past frame

52 7/8"H (1343mm)
23 1/4"W (591mm)
19 1/2"D (495mm)
Cutout measurements

Cut Out Dimensions

Cut Out	Height	Width	Depth
Top	52 7/8 (1343mm)	23 1/4 (591mm)	19 1/2 (495mm)
Middle	21 (533mm) up from bottom		15 (38mm)
Bottom	7.5 (190mm) up from bottom		11 3/4 (298mm)
